

GERMAN WAR TIME FACTORIES TURN OUT PEACE PRIZES

(By Associated Press.)
Berlin, Oct. 13.—The principal former military and naval work-shops of the German government, which were closed in 1919 in accordance with the treaty of Versailles, have been reopened as "peace-time factories" and are producing goods more adapted to uses of peace than war.

Two hundred thousand workmen, thrown out of employment by the closing of the shops, have been re-employed.

Among the larger factories converted from military to commercial pursuits were the artillery work-shops, ammunition, gun, powder and fireworks laboratories at Amberg, Dachau, Cassel, Erfurt, Ingolstadt, Lippstadt, Munich, Siegburg, Spandau and Wolfgang, near Hanau, as well as the navy yards and naval torpedo shops at Friedrichsort, Kiel and Ruestring.

These factories are operating virtually full time, producing foundry products, castings and wrought iron stamped and drawn pieces, all sorts of machinery, railroad, supplies, motors, motorcycles, hand and machine tools, pneumatic tools, electrical utensils, ship machinery, motor and sailing boats, agricultural implements, furniture, locomotives, railroad cars, automobiles and auto-trucks.

The work of transforming the war factories to commercial uses, undertaken by the government with the permission of the Council of Ambassadors, was assigned to a stock company, shares of which were taken by the government, the board of control being composed of government officials and representative financiers and industrialists.

German demands are accounting for most of the output of these factories but surplus products are finding a ready outside market, particularly in the Scandinavian countries where the high price of money as against the German mark adds to the attractiveness of purchases of German wares. German-made automobiles are especially in demand by foreign dealers.

The manufacturers of farm machinery and railroad equipment are looking to Russia as a chief customer as soon as conditions in that country have been stabilized and already hundreds of representatives of German exporting firms have gone into the Soviet republic to study the situation and prepare for a commercial offensive, in which the British are expected to be the most alert competitors.

Chamber Commerce Plans Extensions Of Express Limits

Extension of the express delivery limits of the city is one of the things that is occupying the attention of the Chamber of Commerce, a survey having been completed yesterday and a report made to the two companies having offices here that the new limits as decided on are adopted.

The express delivery limits in Palatka have not been changed in twenty years. As they stand at present a package addressed to residents on Thirteenth street are hauled back down to the city offices of the companies, twelve blocks, rather than be delivered two blocks away from the station. The new limits, as recommended by the Chamber of Commerce, in connection with City Engineer Randolph, are as follows:

Starting at the foot of Lemon street and the St. Johns River, thence Southward along the St. Johns River and East side of River street to intersection of College street; thence Westward to Emmet street; thence Northward to Hawkins street; thence Southward to Forward street; thence Westward to 14th street; thence Northward to Madison street; thence Eastward to 7th street; thence Northward to Dunham street; thence Eastward to 2nd street; thence Southward to Bronson street; thence Eastward to St. Johns River; thence Southward along St. Johns River to Lemon street at starting point.

This report has been given to the local agents and will be forwarded to headquarters for approval.

Putnam High Is Working Hard to Mett Ocala Squad

Putnam's High School football team has been working hard all this week getting in trim for the fray with the Ocala High team here tomorrow afternoon. This, the first high school football game the local institution has ever participated in promises to be one of the best of the season. Both teams are about evenly matched. The Ocala team has had some experience, but the local boys are heavier and it is believed that they will be able to show more speed than the visiting team.

The game will start promptly at four o'clock and will be played at the baseball park. Palatka should give this team their support and should by all means attend this, the first game of the Putnam High Schools career and the first game of the season in Palatka. Admission will be charged to defray the expenses of the visiting team.

Officials will be announced in tomorrow's issue of the News.

From Jail Howatt Writes "To Hell With John Lewis"

(By Associated Press.)
Pittsburg, Kan., Oct. 13.—Alexander M. Howatt, president of the Kansas Mine Workers Union, and his administration were suspended from office today on order of John L. Lewis, president of the International Union, and George L. Peck, a member of the suspended executive board, was designated acting president of a provisional organization created to handle district affairs.

It was announced that the action was taken because Howatt and other officials refused to abide by a ruling of the international union convention at Indianapolis recently, that certain striking miners be ordered back to work. Howatt with August Dorchy, union vice president, is serving a six months sentence in jail for violation of the criminal section of the Industrial Court law by calling strikers. Indications that there would be a fight on the question were seen by many persons in a statement by Howatt from his jail cell late in the day, in which he said:

"To hell with John Lewis and Governor Allen. Our plans are unchanged. We shall continue to fight."

Poney Blimp Wreck Off Hampton Roads

(By Associated Press.)
Hampton, Va., Oct. 13.—A poney blimp from Langley Field which was wrecked in Hampton Roads this morning when engine trouble left the little ship at the mercy of the winds, was towed back to the field tonight at a total loss.

Major Fisher and two enlisted men were in the blimp when she was wrecked, and jumped out of it as the balloon touched ground just before being swept out over the water. In the jump Major Fisher suffered three broken ribs but neither of the other men was injured.

COULD HARDLY STRAIGHTEN UP

When the kidneys are overworked or disordered and fail to throw out waste matter from the system, it causes aches, pains, lame back, swollen ankles, sore points, dizziness, floating specks, etc. J. W. Seabrook, Chester, Pa., writes: "My kidneys and back hurt me so when I got out of bed in the morning I could hardly straighten up. Had to rub the small of my back before I could walk. I could hardly button by shoes. I haven't felt the soreness since I took Foley Kidney Pills.—For sale by J. H. Haughton.

666 quickly relieves Constipation, Biliousness, Loss of Appetite and Head aches, due to Torpid Liver.

Foley's Honey and Tar Compound

IS PLEASANT TO TAKE, and soothes the raw, inflamed surfaces; stops the rasping, strangling feeling in the throat. It is made of the purest, freshest and finest ingredients to be had, contains no opiates or other harmful drugs, and costs twice as much to make as any imitation of it.

Every User a Friend
"My little boy had a severe attack of croup and I honestly believe he would have died if it had not been for Foley's Honey and Tar. Two doses relieved him and he went to sleep and was troubled no more."—Mrs. W. H. Thornton, 3523 W. 10th St., Little Rock, Ark.

"I am in my eighty-seventh year and I was troubled with a tickling in my throat. I have tried to tell you that Foley's Honey and Tar has stopped that."—Geo. P. Randall, Dayton, Nev.

Foley's Honey and Tar is recommended for coughs, colds, hoarseness, tickling of the throat, spasmodic croup, whooping cough, la grippe and bronchial coughs.

HOBOS RELEASED, TOLD TO LEAVE, FAIL, LOCKED UP

The nine hobos pulled off an Atlantic Coast Line freight Wednesday night and arraigned in police court yesterday morning were turned over to the county by Municipal Judge Kennerly, who said he had no jurisdiction in the state case of stealing a ride, and could not try the men for vagrancy as they were forcibly detained here.

The men were turned over to the sheriff, but as the county would be in as bad fix when they were released from the gang as when they started in they were given their liberty and told to leave the community. Last night Deputy Cannon found three of them camped at an old house and arrested them and a little later picked up three more. They were all lodged in the county jail and may now be tried and sent to the road gang for Jim Grainger to handle.

ONE RUN ENDS STRUGGLE FOR TITLE IN BIG BALL CLASSIC

(Continued from Page 1.)
first when the Giants scored their only tally on two bases on balls and an error, he worked himself out brilliantly.

The game won by the Giants in the first inning was probably saved for them in the ninth by as brilliant a fielding performance as has been seen on the diamond in many a day. Ward walked with one man out. Frank Baker, again in the line-up, in place of the injured McNally, came next. With the count three and two, he met one of Nehf's offerings squarely. It shot towards right field, skimming the ground far to the left of

Rawlings. The rap looked like a sure hit and with Ward legging it for third it promised to put the Yankees in a favorable scoring position if it got by.

Makes Marvellous Stop

But it did not pass. Throwing himself at the skimming sphere Rawlings, amid an amazed gasp from the crowd, reached out and clung to it with his left hand. Rolling over and transferring the ball to his right hand Rawlings made the throw to Kelly at first while still on the ground, getting Baker by several feet. It was then Kelly's turn and with a lightning like and accurate throw he shot the ball across the diamond into the hands of Third Baseman Frisch. A cloud of dust flew up over third as Ward slid into the bag. From the midst of it Umpire Quigley's form emerged, his right arm motioning the runner out. The double play had been completed, the third Yankee of the innings had been retired, the game was over and the Giants had won the world's championship.

The Giant's winning run in the first was scored without the aid of a hit. With Burns disposed of at first as Baker fielded his grounder to Pipp, Bancroft walked on five pitched balls. He held first while Frisch was fouling out to Pipp and went to second as Hoyt, with the count two and three, walked Young. There was a sharp protest by Hoyt on the fourth ball with which the Young twirler insisted he had cut the plate. With Bancroft on second Kelly sent what looked like an easy grounder to Peckinpaugh. With the third man out in sight however, Peckinpaugh let the ball get through him and Bancroft starting from

second as the ball was hit scored easily before it could be retrieved.

Mrs. Rose M. Brown Gained 20 Pounds In Four Weeks Time

Declares It's Simply Astonishing To See The Wonderful Benefits She Has Derived From Tanlac—Says "Terrible Headaches Have Disappeared."

"It sounds unreasonable, but I have actually gained 20 pounds in less than a month's time by taking Tanlac, and the wonderful benefit I have derived from the use of this medicine is simply astonishing," said Mrs. Rose M. Brown, 111 Third Street, Manchester, N. H.

"Why, I am so happy to be relieved of my troubles I can really never praise this medicine enough. Up to the time I began taking Tanlac, I suffered for something over two years with a very bad form of stomach trouble.

"My appetite was so poor I could scarcely eat a thing. My stomach would be so badly bloated with gas sometimes I was almost afraid to go to bed for fear I would actually smother. I felt tired and worn out most of the time and became terribly discouraged over my condition. I often had such violent headaches I was unable to be out of bed for two or three days at a stretch.

"Four bottles of Tanlac completely restored my health and anyone can see at a glance the wonderful change that has taken place in my condition. I have a splendid appetite now and the stomach trouble has entirely disappeared. I can eat just anything I want without ever feeling a sign of

MRS. ROSE M. BROWN

indigestion. The best of all, I am never bothered any more with headaches and this was the greatest relief of all. I want to tell everybody what this medicine has done for me." Tanlac is sold by Ackerman-Stewart Drug Co. and all leading drug-gists.
